About the Summit

Tragic Security and Safety incidents at Universities/ College Campuses and schools have elevated the need for University Administrators, Managers, and Security Managers to create and maintain a safer campus and school environment in East African Region.

Security Experts and Leaders from Public and Private Institutions at all levels will educate Participants/Delegates with Strategies, Best Practices and Case Studies for Effectively Preparation, Prevention and Response to Security and Safety threats to Students, Staff, Visitors, and their Institutions.

This workshop will afford you, your peers and policy makers and leading Security and Safety Speakers a unique platform to discuss and strategize collectively and formulate short and long term solutions for your Campuses and Schools.

Key Topics to be presented:

- Improving and Strengthening Campus Security Access Control to keep off Criminals
- Effective Campus Crime Prevention
- Reviewing Emergency Preparedness and Ensuring safety of Students, Staff and Visitors.
- Implementing and managing proper evacuation plans
- University Security Risk Management.
- Dealing with an Increasing Challenge of Drugs in Campuses and Schools.
- Setting up CCTV Control Room in the Campus/ School Security.
- Regional Terrorism and Effective Campus Counter Terrorism Practices.
